

XBase Developer - Job opening 23032021

Paradox Security Systems a high-tech leading company in the world security for over 30 years with global sales to over 65 countries.

Working at Paradox means joining a dynamic, motivated, and competent team that takes the creation of an excellent product to heart. It also means being part of a team that creates innovative and stable systems and develop challenging projects with evolving technologies. We are looking for a passionate person who will have the opportunity to realize the concepts through his expertise and see the projects materialize. You will have the opportunity to see our products come to life in our manufacturing facilities.

Responsibilities:

- Participate in activities related to the development and maintenance of company's software (analyze, conceive, program, test, troubleshoot, support).
- Manage and retrieve data from relational and non-relational databases.
- Write and edit documentation.
- Refactor and rewrite complex programs.
- Collaborate with internal employees and management on multiple projects concurrently.

Qualifications:

- Strong Clipper/xBase++ language skills.
- Knowledge of Python, Flask, HTML, Javascript, jQuery and CSS.
- Knowledge of Version Control Systems (Git and gitlab).
- Previous experience with Agile (JIRA, Confluence).
- Knowledge of Continuous Integration Systems (Jenkins, GitLab).
- Prior experience in ERP/MRP in a manufacturing context considered.
- Works well in a team as well as independently.
- Collegiate degree in computer programming.

Soft skills:

- Autodidact (self-learner)
- Autonomous
- Problem solver
- Perseverant
- Efficient

Occasional work at night or on the weekend

Paradox Security Systems offers a competitive salary and excellent conditions helping employees to achieve a work-life balance and offers great benefits including Group Insurances, RRSP contribution, Progressive Retirement Program, Referral premium,

Financial aid for training and development course and reimbursement of professional association membership and Recognition years of service gift.
